

**RescuePoint Economy (110 Series)**

**Value-Focused Design. Reliable Protection.**

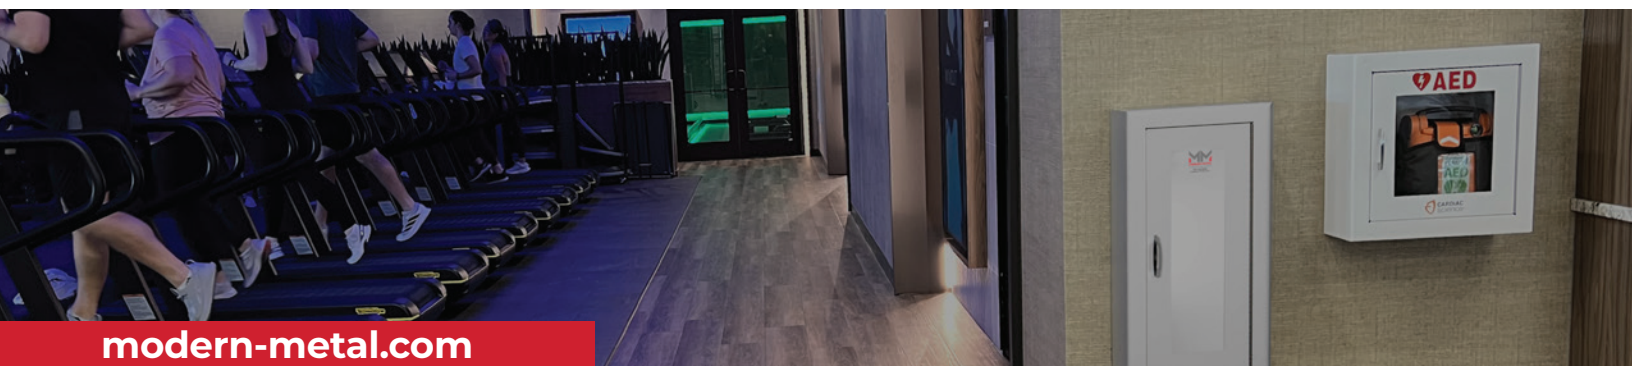

# 110 Series

Emergency Defibrillator Cabinet

The **RescuePoint Economy** provides dependable AED protection in a cost-efficient, American-made surface-mount design. Built from 20-gauge steel with a durable white powder-coated finish, it's ideal for schools, community facilities, municipal buildings, and budget-sensitive projects.

**A smart, affordable solution without compromising safety.**
